Mississippi Delta C

Service * Excelle

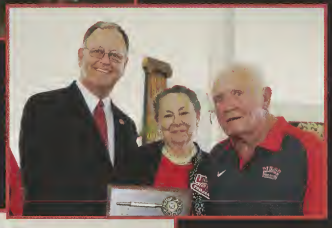

Mississippi Delta Community College has chosen to honor a number of people for their contributions to the institution through the naming of five buildings and the softball field. The naming of these sites will serve as a consistent reminder of the contributions and legacies of some of the most notable individuals in the history of our college.

Hargett-Lee Hall was built in 2008 and serves as the women's residence hall on the Moorhead campus. The building is named after Mr. Herbert M. Hargett and Mr. Dunbar W. Lee. Mr. Hargett served as a member of the MDCC Board of Trustees for 42 years, and he was also a member of the MDCC Development Foundation Board of Directors and a member of the Board of Trustees for the Mississippi State Board for Community and Junior Colleges. He was selected as the MDCC Alumnus of the Year in 2001 and was also elected as an inaugural member of the MDCC Sports Hall of Fame. In 2014, the Herbert M. Hargett Endowed Scholarship Fund was established through the MDCC Foundation by family and friends. The scholarship is awarded annually to sophomore students pursuing a career in the field of education. Mr. Lee served as a member of the MDCC Board of Trustees for over 40 years. This modern residence hall consists of 80 rooms that can accommodate 236 students. The facility has a lobby and recreation area both upstairs and downstairs.

The **Catherine & Allen Snowden Building** was built in 1955 and is the

oldest building on the Moorhead campus. Mrs. Catherine Snowden taught Mathematics at the school for 29 years and served as an adjunct instructor for an additional 7 years. She was honored with the Lamplighter's Award during her time on faculty at MDCC. Mr. Allen Snowden taught Mathematics at MDCC for 29 years and was one of the founding members of the Johnny Russell Scholarship Committee, a group that helped Grand Ole Opry star Johnny Russell raise almost $200,000 for over 500 deserving MDCC students. He was named a HEADWAE Teacher of the Year during his time on faculty at MDCC and received the Jimmy Bellipanni Distinguished Trojan Award in 2007. The building was known as the Trojan Shield for many years. In 2016, MDCC received funding from Blue Cross & Blue Shield of Mississippi to transform the building into a community health and wellness center.

The **Johnny Russell Building** was built in 1997 and is home to MDCC's Law Enforcement Training Academy. Mr. Russell was a songwriter, performer, and member of the Grand Ole Opry. In 1987, Russell hosted his first annual concert in his hometown of Moorhead at the MDCC coliseum and continued them for 13 years. During this time, Mr. Russell raised over $200,000 in scholarship money for MDCC students. The facility includes both a range house and firing range. The Law Enforcement Training Academy is a Class I State Accredited Academy by the Mississippi Board on Law Enforcement Officers' Standards and Training.

Jimmy Henderson Hall was built in 1975 and is part of the Career Technical complex that faces the football stadium. Mr. Henderson is a current member of the Board of Directors of the MDCC Development Foundation and chairs its investment committee. The building houses the Field Crops and Precision Agriculture Technology, Construction Equipment Operation, Automotive Mechanist Technology, Electrical Technology and Brick, Block, and Stone Masonry programs.

Carl & Brenda Grubb Field was completed in 1980 and serves as the women's softball field. Mr. Carl Grubb coached football for MDCC for 17 years, and for three consecutive years, 1971, 1972, and 1973, was named as a member of the Mississippi Junior College Coaching Staff of the Year. In addition, Mr. Grubb taught Science for 37 years and coached baseball and track at various points during his time at MDCC. Mrs. Brenda Grubb served as a Psychology at MDCC for 33 years. At MDCC, she was president of the Faculty Association, a member of the Steering Committee for Accreditation, and was honored with the Lamplighter's Award. Together, Mr. and Mrs. Grubb established the Carl and Brenda Grubb Scholarship which is awarded each semester to a deserving MDCC student. The field features a well-drained, sand in-field with dugouts and scoreboard. In 2015, the field was complimented by the addition of a press box and concession stand.

The **Terry Thompson Building** was built in 2010 and is located on the baseball field. Mr. Thompson served as the head baseball coach at MDCC for 19 years. During this time, the Trojans won 633 games, 9 North Division Championships, 8 Mississippi State Championships, and 4 NJCSS Region XXIII Championships. He was inducted into the MDCC Sports Hall of Fame in 2005. The building includes a press box, concession stand, and restrooms.

We are scholars.

We are leaders.

We are talented.

We are strong.

We are successful.

We are the future.

We are MDCC.

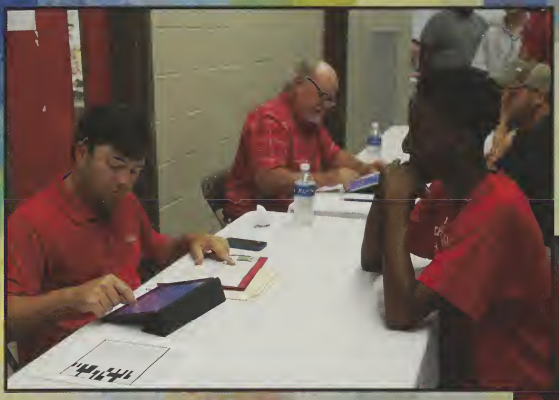

We Welcome You!

Orientation is one of the greatest times of the year at MDCC! During this time of year, we are honored to inform new and returning students about the school and teach them all of the wonderful perks of being a Trojan.

Mr. and Miss MDCC is not just a title...
it's the continuation of a legacy.

Peyton Lane & Kaylin Lloyd

Mr. and Miss MDCC 2017

Kaylin Marie Lloyd was born on April 19, 1997. She is a native of Belzoni, Mississippi. Kaylin decided to attend MDCC because it's close to home. At MDCC, she is a member of the softball team. Her favorite things about MDCC are the friends she has made. Kaylin enjoys spending time with family and friends and playing softball. After attending MDCC, she plans on transferring to Delta State University to major in Aviation Management. Upon graduation from DSU, she plans to attend Mississippi State University for Air Force officer training school.

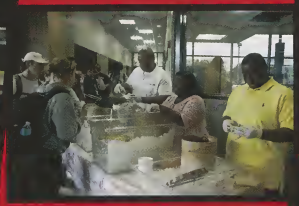

Peyton Tyler Lane was born on March 16, 1997, in Columbus, Mississippi. He is currently majoring in Chemistry at MDCC. In his free time, Peyton likes to play baseball, hunt, and wake board. Peyton loves baseball; in fact, he chose MDCC to continue his baseball career. At MDCC, he participates in baseball and Phi Theta Kappa. After graduating from MDCC, Peyton wants to further his baseball career at a four-year university and obtain a Chemical Engineering degree.

About Our

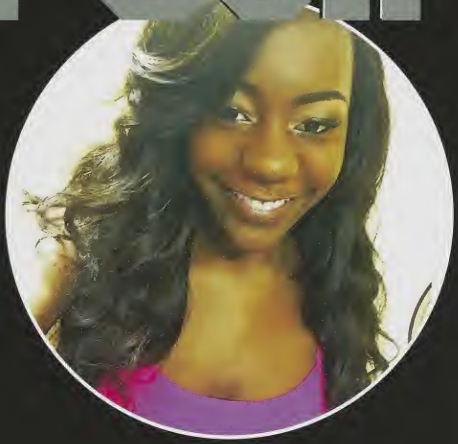

CASEY WILKERSON

from Cleveland, MS
General Ed Sophomore

Why did you choose MDCC? I chose MDCC because it is helpful to start off at a community college. MDCC is such an amazing school!

Who is your favorite teacher at MDCC? Why? My favorite teacher is Mrs. Sharma. I've had her for Comp I and am currently taking her British Literature class. I enjoy her because she is sweet and has her funny moments. She is always positive about everything.

What do you want to be when you grow up? I've always planned on being a Speech Therapist. That's what I'm going to school to be!

KIANIQUE WILLIS

from Indianola, MS
Pre-Health Science Freshman

Do's and Don't's of being an MDCC student? DO do your homework, go to class, and DON'T be late! DON'T skip class!

What do you want to be when you grow up? I want to be a successful occupational therapist.

What are five things you can't live without? My phone, my family, food, television, and music.

Why did you choose MDCC? I chose MDCC because it is closer to home, and I decided that I wasn't ready for the university life.

TROJANS

JEREMY WHITFIELD

from Indianola, MS
General Ed Freshman

What has been your hardest class at MDCC? Why? World Civ because it's more information than I thought there was going to be.

Who is your favorite teacher at MDCC? Why? They are all my favorite because they give me wisdom.

What is your worst habit? Biting my fingernails would have to be the worst.

MRS. SHARMA

Instructor of English
at MDCC for 10 years

What inspired you to become a teacher? One of my former professors taught me the impact of a teacher on students.

What is your most embarrassing moment as a teacher? I walked into my Comp I class and started teaching World Literature.

What is the best/worst excuse a student has ever given? "I left my paper in my truck and, guess what, my truck got stolen!"

MRS. SHARELLE GRIM JACKSON

Instructor of History
at MDCC for 14 years

Who inspired you to become a teacher? My grandmother was an amazing teacher. She has inspired me not only to teach, but to be a positive role model for my students.

What is your most embarrassing moment as a teacher? I was in the middle of a lecture when my shirt came unbuttoned somehow. When I noticed it, I simply buttoned iit up and kept teaching. I was mortified!

What is your most rewarding moment as a teacher? My most rewarding moments are when students excel and enjoy my classes.

WILL TURNER

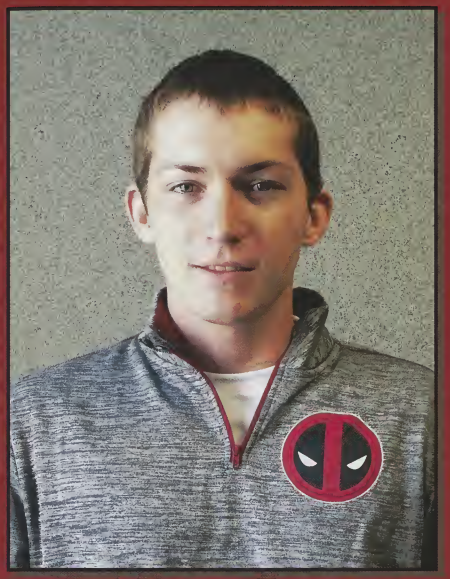

from Belzoni, MS
General Ed Freshman

Do's and Don't's of being an MDCC student? DO wear your ID and DON'T openly dislike rap music.

Why did you choose MDCC? I wanted to choose a school that was close to home.

Who is your favorite teacher at MDCC? Why? Mrs. Hargett is my favorite teacher. I was very comfortable knowing how her class would operate from the summer session.

What are five things you cannot live without? YouTube, family, friends, Sprite, alone time.

DANIEL NICHOLS

from Greenwood, MS
History Sophomore

Who is your favorite teacher at MDCC? Why? James Shannon. He's a very charismatic teacher, and he always makes the class much more interesting.

What do you want to be when you grow up? I want to be a history teacher at the high school or collegiate level.

What is your worst habit? Procrastinating on homework class assignment

What has been your hardest class at MDCC? Why? None of them have been too difficult and. for that, I am thankful.

LEADING THE WAY

Dr. Larry Nabors
President

Dr. Larry Nabors took the reins of Mississippi Delta February 1, 2013. He is the eighth president of the college, which is now in its 90th year of operation.

Campus Highlights

College awarded $400,000 for sidewalks, lighting

A new sidewalk infrastructure project is underway on the Moorhead campus of Mississippi Delta Community College. Through funding obtained from Mississippi Department of Transportation's TAP Program, MDCC will be able to provide students, faculty, staff, and visitors with a very accessible and pedestrian-friendly environment.

Plans include the repair, replacement and installation of sidewalks and lighting. These much needed enhancements will significantly improve campus safety and access. The college was awarded $400,000 in federal funds through the Transportation Alternatives Program (TAP) for this project. The project is slated to begin March of 2018.

The sidewalk project will complement the recently completed paving project in which all streets on the Moorhead campus received a much-needed facelift.

Allen Foley Career-Technical Education Building renovations complete

Career-technical students returned to campus this spring to a newly renovated building. Building upgrades included a new roof and ceiling tiles, electrical upgrades, and the installation of new HVAC and fire suppression systems. Funding for this project was provided in part by the Mississippi Department of Finance and Administration's Energy Conservation Measures Project.

Three new programs coming in 2017 and 2018

Mississippi Delta was awarded a 2017 Career and Technical Education Challenge Grant to implement Physical Therapist Assistant and Pharmacy Technology programs. The college has also received funding for an Industrial Maintenance Technology program. These three new programs are pending SACSCOC approval.

College celebrates its 90th anniversary

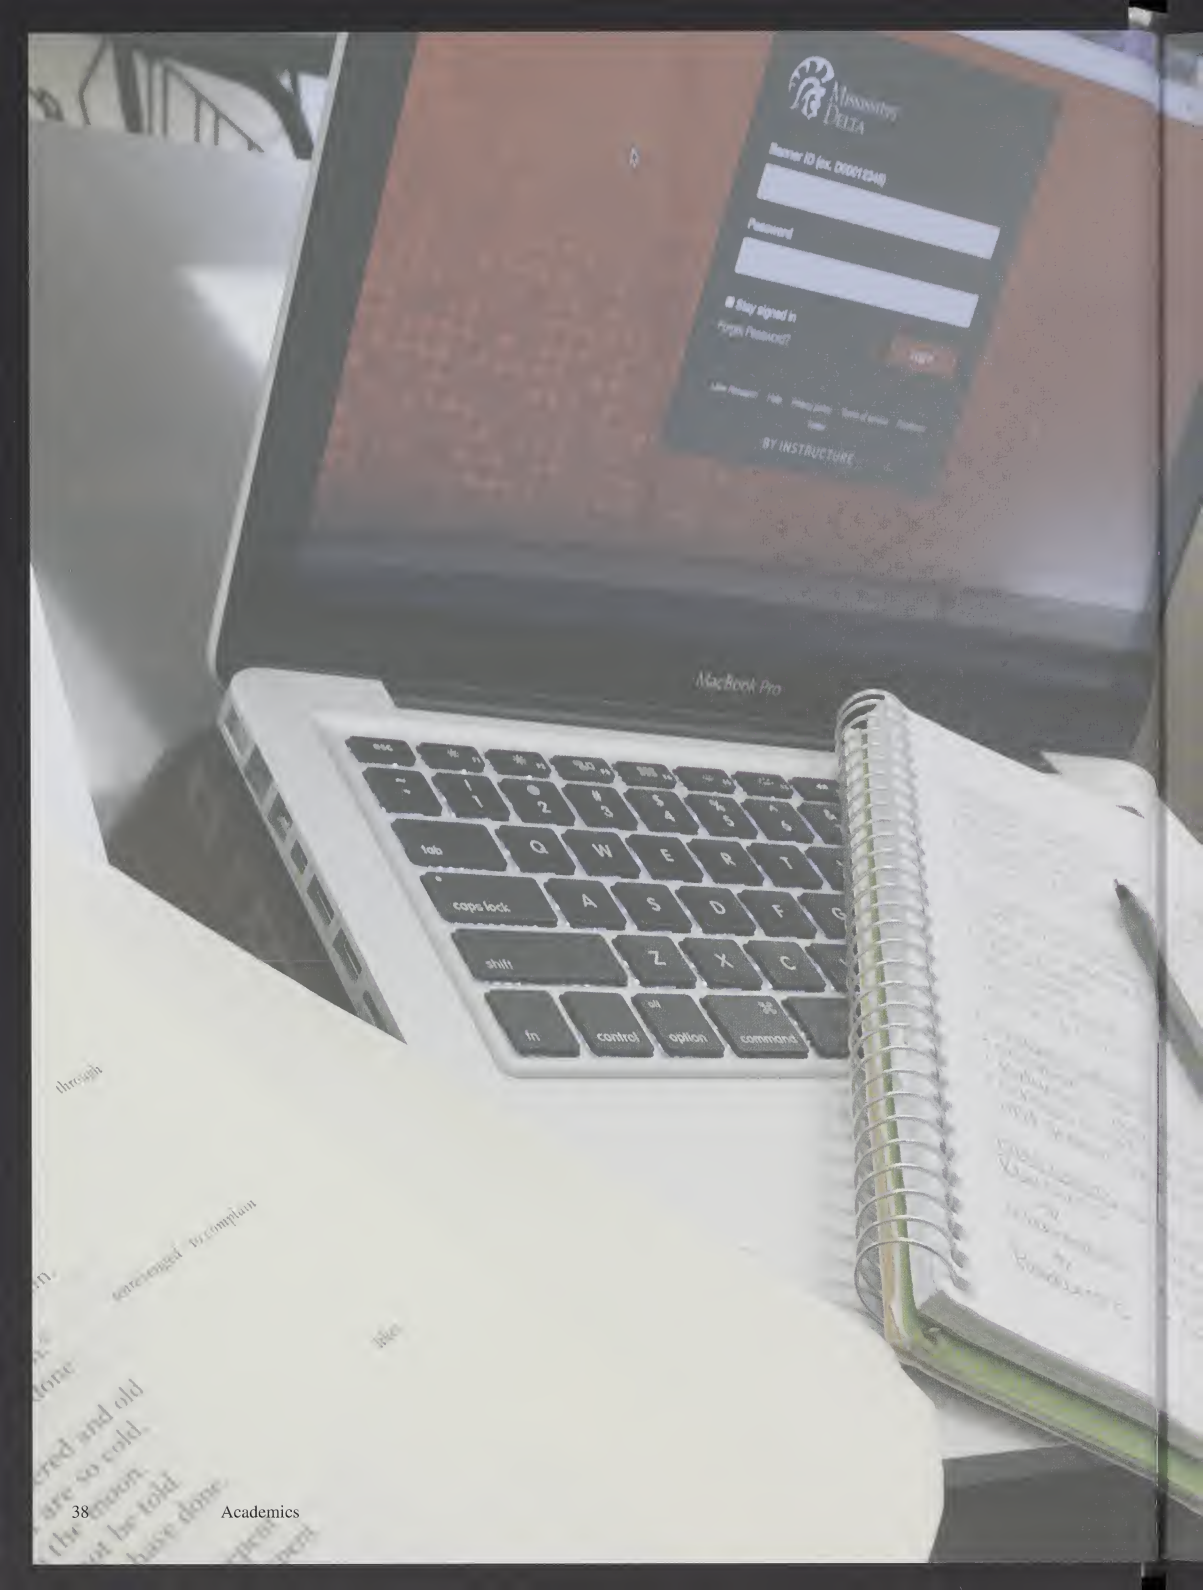

This year MDCC celebrated its 90th Anniversary during Homecoming. A celebration was held on Homecoming Day and included special awards and a Building Dedication Ceremony. To honor individuals who made significant contributions to the College, there were six MDCC facility dedications. These individuals were selected by the MDCC Board of Trustees with input from faculty, staff, alumni, and community supporters

Completion of the new Vandiver Student Union

This year's students were the first to be able to take advantage of the new Vandiver Student Union for an entire school year. Construction for the new building started in June of 2014 and was completed in 2016. The 11,600 square foot building features lounge space, a multipurpose conference room/meeting space, a suite of offices for the Office of Student Services, a food service grill, game room and fitness room.

New grant creates the Delta Fit Health Initiative

Mississippi Delta was awarded a Blue Cross & Blue Shield Foundation of Mississippi grant for over $400,000, which enabled the college to establish the Delta Fit Health Initiative. The initiative is geared toward making students, faculty, staff and the community aware of the benefits of living healthy and being active. The grant allowed for the Catherine & Allen Snowden Building on the Moorhead campus to be renovated into a new state-of-the-art workout facility that will be open to the community.

ACADEMICS @MDCC

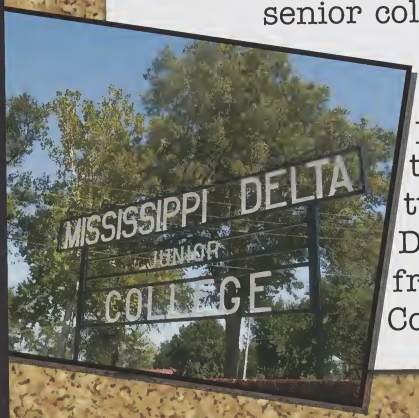

Mississippi Delta is a comprehensive community college which offers a wide variety of **academic, career, and technical courses** in day, evening, and on-line classes. We also offer **workforce training, ABE/GED classes, and continuing education courses** for local citizens. Mississippi Delta supports its students with a full range of student services including **financial aid, counseling, career placement, and on-campus housing**. Mississippi Delta instructors are well-trained professionals who are truly dedicated to the success of their students, both in the classroom and in their future careers. We offer quality, collegiate level courses in small classes with individualized instruction.

In addition to the main campus at **Moorhead**, Mississippi Delta Community College also offers classes at its off-campus sites in **Greenville** and **Greenwood**, as well as workforce training at the Charles W. Capps, Jr. Technology Center in **Indianola**.

At the Greenville Higher Education Center Mississippi Delta partners with Delta State University and Mississippi Valley State University to offer students the opportunity to complete their four-year degree in one location.

ACADEMIC PROGRAMS

The curricular offerings of the Academic Division are designed to provide academic courses equivalent to the first two years of college or university work that will be applicable to a baccalaureate or professional degree. The program a student plans to follow should be as parallel as possible to that of the freshman and sophomore years of the college or university which he/she plans to attend next. Students are encouraged to follow the course of study as outlined for the freshman and sophomore years, by the senior college to which the student plans to transfer after graduation. These programs are designed so that students can earn the two-year Associate of Arts Degree prior to transferring from Mississippi Delta Community College.

Academic majors are offered in:
Business
English
FIne Arts
HPR
Math & Science
Social/Behavioral Sciences & Humanities

Q+A with the BOOK STORE

Ever wonder what's going on behind the scenes? We asked the bookstore some questions on what they have to offer!

1. Does the bookstore offer e-textbooks?

-We do offer e-books for Allied Health programs. (Dental hygiene, Radiology, MLT)

2. What's the popularity of e-books compared to normal books in terms of sales?

-We sell hardback textbooks more than we do e-books strictly because only select programs use e-books.

3. Is there a book that sells more than any other?

-Composition I seems to be the most popular.

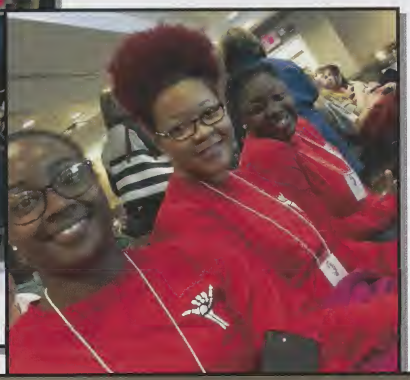

4. Is it true that radiology students are granted an iPad on which all of their learning material is loaded onto? Do you think that this will be the standard for all students, regardless of major, in the coming years?

-Their work is mainly done on iPads. We provide iPads for the students who need/want to purchase iPads through the bookstore. Possibly in the future,this will be the standard for all students.

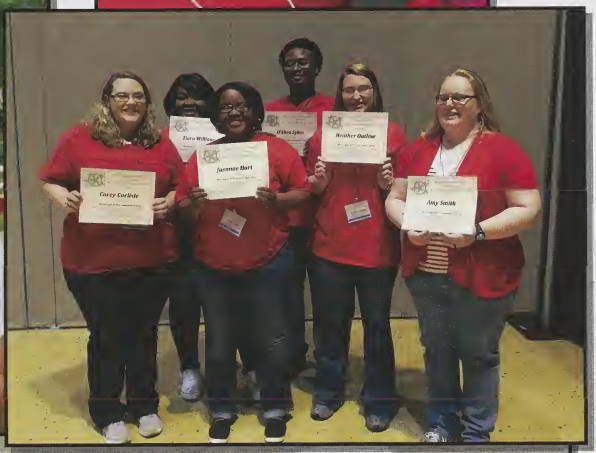

5. Is there any piece of advice or set of tips you'd like to give MDCC students?

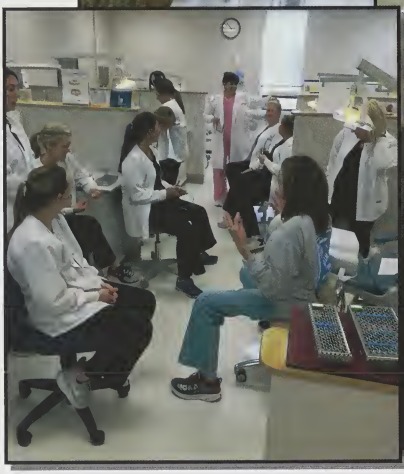

-Stay focused and keep track of deadlines. Academics is very important!

Hall of Fame

The Hall of Fame Award is the highest honor given by Mississippi Delta Community College. The Standing College Committee on Honors and Awards chooses the Hall of Fame members based on recommendations from the faculty and staff at MDCC.

Students are named to the Hall of Fame each year based on whether or not they meet the following criteria:

1. The students must be sophomores.
2. The students must have a GPA of 3.5 or better during the first term of their sophomore year.
3. The students must have attended MDCC for three consecutive semesters.
4. The students must have rendered service and contributions to the school program.
5. The students must have qualities of leadership, loyalty, character, overall excellent school citizenship, and potential community leadership.
6. The students must be presently enrolled in school.

Mary Katherine Downs

Mary Katherine Downs is the daughter of Pete and Tomilynn Baughman. She is currently in the ADN Program as a Nursing major. Mary Kat is currently involved in the Mississippi Organization for Associate Degree Nursing (more commonly called the Nursing Club). She is currently in Phi Theta Kappa and Alpha Delta Nu. Mary Kat's plan after leaving MDCC is to work at North Sunflower Medical Center in Ruleville, Mississippi.

Lindsay Nicole Dunaway

Lindsay Dunaway is the daughter of David and Debbie Dunaway. Lindsay is from D'Iberville, Mississippi, and she attended St. Martin High School. She is a Dental Hygiene major. Lindsay is in Phi Theta Kappa, and she is the Dental Hygiene Class President. She is also involved in community oral health programs. Lindsay has been on both the President's and the Dean's List at MDCC. Lindsay plans to further her education in Dental Hygiene after leaving MDCC.

Weber Herbison

Weber Herbison is the son of Steve and Katie Herbison. Weber is from Cleveland, Mississippi, and he attended Bayou Academy. Weber is a Chemistry major. He is involved in baseball and Phi Theta Kappa. He enjoys hunting, fishing, and hanging out with his friends. After leaving MDCC, Weber plans to continue his baseball career and finish his Chemistry major at a four-year university.

Coleby Hutchinson

Coleby is the son of Charles and Stephanie Hutchinson. He is from Boyle, Mississippi, and he attended Bayou Academy. Coleby's major is Electrical Engineering. He is the Vice President of Phi Theta Kappa, and he is a member of Delta Delegates. Coleby has received the American Literature Award and the HEADWAE Award. Coleby's plans after leaving MDCC are to attend MSU and continue his major in Electrical Engineering.

Michael Sewell

Michael is the son of Troy Sewell and Beth Neese. He is from Greenville, Mississippi, and he graduated from Riverside High School. Michael is majoring in Mechanical Engineering. He is a member of the MDCC Ambassadors. Michael has received awards for Highest Achievement in Calculus, Physics, and Chemistry. Michael plans to transfer to MSU to finish his degree after he graduates from MDCC.

Humanities

Teacher of the Year

Dr. Sheba Jordan

Mississippi Delta Community College Psychology instructor Sheba Jordan, of Greenville, was recognized as MDCC 's Humanities Teacher of the Year. Dr. Jordan has been an employee at MDCC for three years and earned her bachelor's degree from the University of Southern Mississippi and a master's degree from William Carey University. She also attended Mississippi State University where she received her doctoral degree.

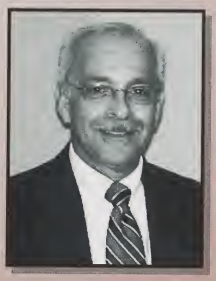

During the Nov. 16 awards ceremony on the Moorhead campus, Jordan presented, "Humanities: Socio-Cultural Theory." She will also be honored at the Mississippi Humanities Council Awards Banquet in Jackson in February of 2017.

She and her husband, Dwayne, have a 6-year-old son named DJ. In her spare time, she enjoys spending time with family, helping others and traveling.

October is Arts and Humanities Month, proclaimed annually by the President and Governor. The Mississippi Humanities Council celebrates the occasion by supporting Humanities Teacher Awards. The president of each college or university selects the faculty member for this recognition. Each recipient receives an honorarium presented by the Mississippi Humanities Council.

HEADWAE FACULTY & STUDENT AWARDS

Sponsored by the Mississippi legislature, the award honors academically talented students and faculty members of Mississippi's higher education institutions who have made outstanding contributions in promoting academic excellence. To this end, one student and faculty honoree are annually selected from each of the 36 public and private member institutions of the Mississippi Association of Colleges to participate in the Appreciation Day activities.

Andy Forte has taught Biology at MDCC for 15 years. He earned his bachelor's degree in Zoology from the University of Mississippi and his master's degree in Natural Science from Delta State University.
Forte is involved with the MDCC Alumni Association, MDCC Faculty Association, Mississippi Faculty Association for Community and Junior Colleges, University of Mississippi Alumni Association, Delta State University Alumni Association and was named a Lamplighter for MDCC in 2013.

A Boyle native, Coleby Hutchinson is a sophomore at MDCC and is Vice President of the Phi Theta Kappa Honor Society, a member of Delta Delegates, and a Youth Leader at Cleveland Church of God where he is also a sound technician. After graduating from MDCC, Hutchinson plans to attend Mississippi State University to further his education in electrical engineering.

Brenda Grubb
Trojan Service Award

Brenda Grubb was given this prestigious award for her great loyalty, service, and commitment to Mississippi Delta Community College & to the MDCC Alumni Association. Mrs. Grubb taught Psychology at MDCC for 33 years, and over time she became president of the Faculty Association, a member of of the Steering Committee for Accreditation, and was selected for the Lamplighter Award by her peers.

While teaching at MDCC, Mrs. Grubb enrolled in academic classes so that she could officially become an MDCC alumnus. She has a vested interest in the community of Moorhead. She feels that "what's good for MDCC is good for Moorhead and vice versa."

While at Delta State University, she was a varsity cheerleader and an avid Statesman. Little did she know that her marriage to Carl Grubb would result in a change in school loyalty. She and Carl have been Trojan Tailgate members since the organization's inception, and they are active in the MDCC Alumni Association. Mrs. Grubb has been a loyal Trojan fan for "55 years and counting."

Mrs. Grubb is a member of the Moorhead United Methodist Church where she is on the Administrative Council and has taught Sunday School for many years. In addition, she has been a member of the Moorhead Garden Club for 50 years and is the secretary of the Moorhead Planning Commission.

TROJAN Teacher Awards

MDCC President Larry Nabors awarded the college's TROJAN Teacher Awards during the fall opening convocation.

The 2016-2017 TROJAN Teacher award recipients were Carol Rose, Jorene Pettiet, and Brenda Bridgers (not pictured).

These Teachers were Recognized for Optimism, Job well-done, Academic excellence, and Nurturing students. The TROJAN award bears the name of the college mascot.

Lamplighters @MDCC

Three Mississippi Delta Community College instructors were among the state's best community and junior college faculty members honored at the prestigious Lamplighter's Conference in October.

The first Lamplighters Conference was held in 1989 with the goal of bringing in outstanding instructors in the state of Mississippi to honor their work and to share ideas. "Lighting the lamp" of the participants was to provide these instructors with the opportunity to return to their own schools and light the lamps of their fellow instructors.

The conference is designed to recharge and invigorate faculty who shine on their individual campuses, while also providing an opportunity to recognize faculty who go above and beyond what is required. The program also gives effective instructors an opportunity to share with one another those teaching techniques that best promote learning.

Jeffrey Thompson

Mr. Jeffery Thompson of Cleveland has been on the faculty for 17 years and teaches history for the Humanities DIvision.

Patricia Kelly

Ms. Patricia Kelly of Benoit has been an instructor in the Medical Laboratory Technology program for 14 years. She currently serves as the Program Director.

Nick Lofton

An instructor for MDCC for 15 years, Nick Lofton of Moorhead teaches in the Automotive Technology program.

Kristy Bariola
Trojan Spirit

Mrs. Bariola attended MDCC and graduated from Delta State University where she received a Bachelor of Science degree in Elementary Education. She was awarded a master's degree in Library and Information Science from the University of Southern Mississippi. Mrs. Bariola serves as the Director of Library Science at Mississippi Delta Community College.

Although Mrs. Bariola's responsibilities as Director of the Stanny Sanders Library keep her busy, she is involved in all aspects of campus life and is a familiar face to both students and visitors. Around campus, she is known for her positive attitude and her loyalty and support to the school. Among the many committees on which she has served are the MDCC Admission Hearing Committee, the College Catalog Handbook Committee, and the MDCC Disciplinary Hearing Committee. In addition, she is a past president of the Mississippi Deans and Directors and a member of the Mississippi Library Association and American Library Association. Mrs. Bariola, a resident of Greenwood, is a Life Member of the Junior Auxiliary and a member of North Greenwood Baptist Church.

Travis Thornton MDCC Alumnus of the Year

Mr. Thornton attended Sunflower Junior College and the University of Mississippi and was awarded a bachelor's degree from Delta State University. After completion of his degree, he served in the United States Army. Later, he completed a master's degree from Mississippi College and did additional study at Mississippi State University.

He has a long record of community and civic involvement. He was a member of the Delta Area Guidance and Counselor Association, and he served as president of the Leland Kiwanis Club and the Moorhead Rotary Club.

He was also the recipient of the Delta State University Hugh Ellis Walker Alumni Service Award. Mr. Thornton and Virginia (Jenny), his wife of 52 years, live in Houston, Mississippi, and are the parents of Robert Russell Thornton.

Faculty Spotlight

Two MDCC Faculty Members Awarded Prestigious Education Grant

Emily Riser & Jenni Hargett

English division chair Emily Riser and English faculty member Jenni Hargett have been awarded a grant to integrate open educational resources (OER) into the Composition I and II courses at Mississippi Delta Community College. MDCC students who enroll in these designated courses during the Fall 2017 and Spring 2018 semesters will use OER materials in place of a traditional textbook.

An estimated one-third to two-thirds of students nationwide no longer purchase textbooks. Campus bookstores have difficulty supplying adequate numbers of textbooks, and instructors face challenges teaching effectively with traditional textbooks because students aren't buying them. The use of OER in classrooms is a proven solution to this impediment to student success.

What: A three-year plan to expand adoption of Open Educational Resources (OER) in Mississippi public higher education. OER are course materials, including textbooks, which are free and shareable.

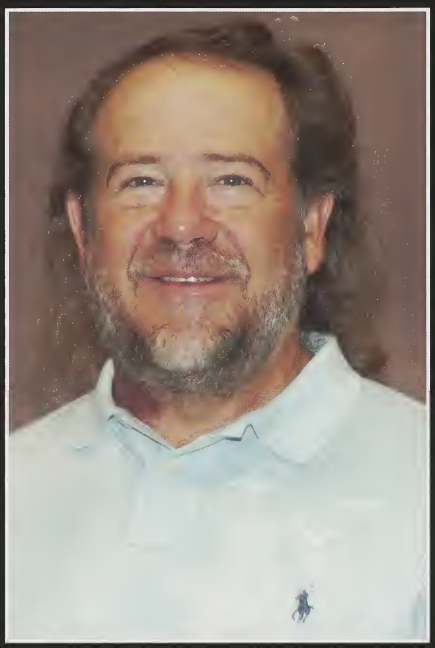

How: When faculty adopt OER for their courses, those courses are tagged as "Z-Degree" on the course schedule, indicating that they have "zero textbook cost." Once enough courses are designated Z-Degree, it is possible for students to earn a degree with no textbook costs.

Why: An estimated one-third to two-thirds of students no longer purchase textbooks nationwide. Faculty will still choose the best textbook for their classes, and often they find OER texts to be superior. Z-Degree Mississippi will be funded by a $200,000 grant from the William and Flora Hewlett Foundation, and $80,000 in grants from the University of Mississippi College of Liberal Arts.

"Z-Degree Mississippi" is a three-year plan to expand adoption of OER at the state's public universities and community colleges. This new program is designed to improve teaching and learning in the state's higher education institutions by reducing textbook costs and enabling faculty customization of curricula.

The effort is funded by a $200,000 grant from the William and Flora Hewlett Foundation and $80,000 from the University of Mississippi. When faculty adopt OER for their courses, those courses are tagged as 'Z-Degree' on the course schedule, indicating that they have zero textbook cost, and eventually the hope is that it might be possible for students to earn a degree with no textbook costs.

In the Spotlight...
JAMES SHANNON

A Dream Come True

Curiosity got the best of him when Mr. James "Jamey" Shannon was alone in his office and got the e-mail that would send him on an exciting new journey.

The electronic letter came from the New England Conservatory, a school of music in Boston, Massachusetts, considered to be one of the country's most reputable music schools, asking our beloved Mr. Shannon if he was interested in enrollment.

"If I had had to take the time to make the videos required for admission, then I wouldn't have even considered it. However, I already had the videos sitting on my desktop, so I thought 'Why not give this a shot? Just to see if I can get in.'"

And get in he did! Since the start of the semester, Mr. Shannon's days have been jam-packed. Whenever he's not in class teaching or practicing with the Ambassadors, you'll probably find Mr. Shannon in his office spending every moment of his free time practicing with his own musical instruments in preparation for his Skype classes with his other NEC classmates.

"It's been an absolute blast, and I'm loving every moment of it!"

We're excited for you, Mr. Shannon, and can't wait to see the great things you come up with!

What: The NEC is authorized by the Commonwealth of Massachusetts to grant degrees and is accredited by the New England Association of Schools and Colleges.

History: The NEC was founded February 18, 1867.

On the Web: www.necmusic.edu

We are scholars.

We are leaders.

We are talented.

We are strong.

We are successful.

We are the future.

We are MDCC.

Mississippi Delta Community C

The Mississippi Delta Community College Board of Trustees is composed of six members from Sunflower County and two members each from Bolivar, Humphreys, Issaquena, Leflore, Sharkey, and Washington Counties. One member from each county is the County Superintendent of Education (in counties where this position exists as prescribed by state law) and the other members are appointed for five year terms by their County Boards of Supervisors.

FROM THE EDITOR...

Dear Students, Staff, and Faculty,

It has been such an awesome experience and an honor to be the editor for the 2016-2017 yearbook.

First, I would like to thank Mrs. Hargett for this opportunity to join the yearbook staff and to work with some amazing students on the yearbook. I would also like to thank Mrs. Hargett for helping us keep up with our deadlines.

I would also like to thank all of the amazing students who helped this yearbook come together.

Lastly, to all of the students of MDCC, I want to thank you for being part of this school. I also want to thank everyone for all of the memories we have made on campus this year. I hope that we were able to capture all of the memories that we have made together.

Sincerely,

Christian Marquez
